## ***From the Chairman's Desk***

Immanuel Arasar Group of Institutions is organized with the primary objective of providing quality technical education to the needy children of rural areas. Our Institution strives hard to bring out the hidden sparks from our students to mould them as entrepreneurs of high order. All the individual talents are discovered at the ripe moment from our children to synchronize them to bud out with style of their own. Their ideas are incubated and they are precisely trained to face the faces of the contemporary scenario. Immanuel Arasar Group of Institutions is a student - centered institution with good learning and teaching environment. Our committed faculty, curriculum and excellent facilities will ensure that you embark on a global career and leave a blazing trail of success.

*May God Bless you with Bright Future.*

**Dr. Samuel George, MBBS, MD**  
Chairman

## ***From the Correspondent's Desk***

Immanuel Arasar Group of Institutions is designed to suit the need for future professionals, has rightly chosen the axiom, "Aspire, Act and Achieve". At a juncture when space and time are set at high premium, this college hopes to impart unconscious competence by constant training. For us to believe the nurturing of the wards entrusted to our tender care, is the service we pay for the space we occupy, and the time we utilize on this planet.

Academic excellence, holistic education, innovative approach and global relevance are inbuilt in our teaching - learning process. Our continuous placement and training programmes help the students to choose the right job even while they are at our campus.

**Dr. D. Shakila Shantha Kumari, M.A., M.Ed., M.Phil., Ph.D**  
Correspondent

## ***From the Director's Desk***

Our College has been rooted deeply in the Spirit of Oneness of God and Universal Brotherhood.

Therefore, the portals of our college have always been kept open for all eligible students from all parts of the country and the world irrespective of caste, creed and religion. Cultural and spiritual unity is encouraged and developed in the day-to-day life within the campus. The college maintains high standards of excellence in the academic sphere and in the infrastructure intended to implement the educational programme. Individual attention, well-fitted study hours with periodical examination prepares the students for all the challenges of highly competitive educational field and for future life. In addition to the university curriculum which is expected to provide a broad foundation of general education, a diversified programme of campus activities such as social, cultural and religious activities are encouraged to develop the individual talent and personal relationship. Students are trained and equipped so as to transmit their talents for the betterment of society. Quality of the highest order in every sphere is always the aim of our Institution.
